

## XII Literature and Theatre BETWEEN.POMIĘDZY Festival

10-14th May 2021

### ***STUDENTS' AND DOCTORAL CONFERENCE: ISLAND.YOUTH 2021***

One of the main tasks of the Between.Pomiędzy Festival is supporting the active participation in science, culture, and art of the young. For this reason, during **11-12th May 2021**, we would like to provide the students and PhD students a space to share their research during the national scientific conference *Island.Youth 2021*. We invite all students who are willing to share their study results, conducted during BA and MA seminars or doctoral schools. Our conference is dedicated to teatrologists, translators, film experts, literary scholars, linguists, and other students working on all kinds of branches of science. We would like to provide young researchers with space to exchange ideas and discuss scientific exploration's effects. Moreover, the participants will have the opportunity to meet more experienced researchers from home and abroad. Our concern is receptivity, topical diversity, and the hands-on aspect of students' research.

*Island.Youth 2021* will take place as a part of XII Between.Pomiędzy Festival. The scheduled time of the presentation, either in Polish or in English, is **10 minutes**. This year's edition is extraordinary for two reasons. Firstly, we are back after a year's break. Secondly, this year, for the first time in the festival's history, the conference will be held online on the Zoom platform, which creates the opportunity for the participation of a broader range of students across the country. The attendance fee is 50 zł. The conference's organisers are Students' Club ZIA Projektor, the Students' Club *Pomorania* and the Students' Club of Managing Art Institutions with dr Katarzyna Kręglewska and prof. UG, dr hab. Tomasz Wiśniewski being the substantive support.

The submission containing an abstract of the presentation (150 words), affiliation, consent to process personal data for the conference's purpose, as well as the name and e-mail of the college advisor, can be sent via particular form (<https://forms.gle/xk8jOKdqGiZrM9NE9>) till 4th April 2021. Should you have any queries, contact [konf.wyspa.mlodosc@gmail.com](mailto:konf.wyspa.mlodosc@gmail.com).
